TWO GREAT ACTIVITIES IN ONE EVENING!

Dear Church Family,

In a recent sermon that focused on the shrewd steward in Luke 16:1-8, I mentioned to the congregation that we can use our shrewdness or holy creativity type of thinking to advance the kingdom of God.

I mentioned few examples including the story of a small neighborhood in Detroit that had been terrorized by gangs and drug lords. One inner city church placed senior ladies in folding chairs on street corners armed with video cameras; they pointed the cameras in the direction of any illegal activities. That action alone reduced the crime and helped make the neighborhood safe again. The funny thing about that is the ladies did not know how to use the cameras, they just pretended, but the gangs and drug lords did not know that.

Other notable examples of a church thinking outside the box included a dinner church; organizing a community organic garden; hosting an outdoor movie night; spearheading a non-perishable food drive in the community; hosting a Saturday School which provides free tutoring; providing a free Valentine's Day daycare for couples; sponsoring a community kite flying day; providing free coffee and snacks at local emergency room waiting area; and giving rides to those who have hospital and doctor appointments.

As we go forward with "holy shrewdness, holy savvy or holy creativity," perhaps you have a gift or talent that is unique that could be used to help others or inspire them to reach for the gospel. Perhaps our church can try something that is out-of-the-box. Listen to your heart and let me know if you have any ideas. For those who are looking for their niche in the Kingdom of God, here is a list of some of the more traditional means of service that are also vital:

1. Pray for someone who needs your prayers.
2. Bring a food donation to church that will be given to the Tri City Food Pantry.
3. Share the story of your faith with someone.
4. Visit someone who maybe home bound.
5. Begin a systematic plan of reading the Bible in a year.
6. Invite someone you know to Sunday morning church service.
7. Volunteer your time in a community service project.
8. Forgive someone who has wronged you.
9. Send a letter of encouragement.
10. Serve as a greeter, usher, refreshment coordinator or liturgist.
11. Give an additional offering to help someone in need.
12. Share your musical talents-join choir or provide special music.
13. Go on a religious retreat and recharge your spiritual batteries.
14. Practice good stewardship of the earth as you reduce, re-use, and recycle.
15. Take someone out for a meal and be hospitable.

So I would encourage you to use both creative and traditional means to reach others in the service of Christ. In the process we can add to our fellowship.

Pastor Paul

Shop to Help a Good Cause!

Christmas? Already?

It is not too early to think about Christmas shopping. Many stores have their displays up already and others. Here at RUMC, talk about the Christmas bazaar is underway. The gift card program is no different. We have made so far, \$2,012.10 profit in our first year. A great success -- thanks to all of you. However, Christmas is the time when we do most of our business. So therefore, please buy your gift card Christmas presents through us; ask your dentist, doctors, hair stylists, etc. if you could place a brochure about the gift card program in their offices. Talk it up with your friends, neighbors and family members and ask them to shop through us also. Information and ordering information are on our website <http://www.rockumchurch.com/gift-card-program/>. If you need cards mailed see me, we can make that happen. Remember you will always receive 100% of your gift card order!

Shopping on Amazon? Don't forget to use our Amazon Smile page. The church will receive .5% of the price of the eligible purchases. Log into Amazon through our RUMC Amazon smile page: <https://smile.amazon.com/ch/06-1283681> and then make your purchases as you normally do. There is an Amazon Smile link at the bottom of the RUMC home page.

REFUGEE RESETTLEMENT PROGRAM UPDATE

As most of you know, our church has partnered with the Catholic Charities Archdiocese of Hartford to sponsor the resettlement of one refugee family to the Hartford area. Our commitment is limited to furnishing an apartment for the family and providing volunteers and resources needed to assist them in becoming acclimated and stabilized in their new community. **For those who are interested, we may also meet the family at the airport when they arrive and take them to their apartment.** Catholic Charities will provide all of the other necessary resettlement and placement functions for the family including housing, employment, language training, school enrollment, medical, case management, enrollment in Social Security, etc...

During the past several weeks, our Refugee Resettlement Team has been focused on collecting furniture and kitchen items to completely furnish an apartment for our refugee family. The response from our congregation and at least a dozen families outside of our church has been overwhelming. Thanks to many of you, we now have enough furniture to move forward and have notified Catholic Charities we are ready to go. We are expecting to be assigned a family sometime in October. We do not know the country of origin yet, but have been told they will probably be from Syria, Somalia or the Congo. Most of these families have been living in various refugee camps around the world for the past two to ten years or more.

Although we have 99% of the items needed for our family, we could still use a vacuum, mixer, saucepans with lids and bikes for both adults and kids. I'm sure there will also be some last minute things needed once we know the size and ages of the family members.

Some of you have asked about where the furniture is being stored and how we plan to move it. Most of the furniture is **currently** being stored at the parsonage and our house. Both places are beginning to fill up so please call before you drop items off so we can determine if they are still needed. The plan right now is to rent a U-Haul truck and move everything directly to the apartment when that time comes. That is when the fun begins and lots of help will be needed. Catholic Charities will provide some help unloading the truck, but we will need a few more heavy lifters. We hope to do this over a weekend so those of you who work will have an opportunity to participate. **We will have approximately two weeks to setup the apartment once we are notified they are coming.**

I'll keep you posted when we have any new information.

Thank you.

Steve Yoder

Last month, we delivered a total of **58** items to the Hockanum Valley Community Council Food Pantry. Thank you for helping your local community. Many children sign up for Hockanum's before/after school snack program. The snack program can use cereal, crackers, fruit cups, boxed raisins, juice boxes and other snack-able items.

Peanut butter, jelly, canned pasta, fruit cups, tuna, soup and juice boxes are always needed.

Volunteer Opportunities

Check out the Mission/Outreach bulletin board in Fellowship Hall for volunteer opportunities in our community.

Through the Church:

Sunday Morning opportunities: Sign up sheets are in fellowship hall for the attendants needed on Sunday mornings.

Soup Kitchen Team 1 needs a new volunteer. The two-person teams meet at the soup kitchen at 10:30 am once every five weeks. Please see Don Ross if you want to be part of the team.

Prayer Chain: If anyone is interested in joining the prayer chain and would prefer contact via telephone, please call Phyllis King at (860) 454-5127

Harvest Supper: Harvest Supper is right around the corner! October 22, 2016. How quick the summer goes by! Lots of opportunities to volunteer! Thursday morning (10/20) we do pies. Friday (10/21) we prep some of the veggies and do more pies! Saturday morning we will be preparing the turkeys, making the stuffing & in the afternoon we will need help pulling it all together so we can serve the delicious meal. Oh yea, we need servers, waitresses & waiters! Then there is the cleanup! I know how we all love clean up, but it has to be done. No one person can take credit for the incredible meal that is served. It's a group effort. Watch for the signup sheets and join in the fun!

If you would like to participate and won't be in church to sign up, call me or the church office.

In the Community:

Optimism Walks: Saturday October 29, 2016 10 am to 3 pm. This is a 15 mile non-competitive walk in Elizabeth Park to raise money for the American Parkinson's Association.

<http://apdaparkinson.donordrive.com/index.cfm?fuseaction=donorDrive.event&eventID=814>.

Cornerstone Food Cupboard: Cornerstone has added a food cupboard to help the community in addition to the Hockanum Valley Community Council Food Pantry. Monetary donations can be made through FoodShare with a notation in the memo space "for account #21605;" this will ensure the money will go to help in the tri-town area.

Don't forget we are collecting labels for the final year of the Campbell's Soup Labels for Education program. Lake Street Elementary School, in Vernon, is 5000 points from meeting their goal. We will collect labels until June to help them get the equipment they need. Leave your labels in the plastic bag on the bulletin board in the Narthex.
