### *What Makes a Dad*

*God took the strength of a mountain,  
the majesty of a tree,  
the warmth of a summer sun,  
the calm of a quiet sea,  
the generous soul of nature,  
the comforting arm of night,  
the wisdom of the ages,  
the power of the eagle's flight,  
the joy of a morning in spring,  
the faith of a mustard seed,  
the patience of eternity,  
the depth of a family need,  
then God combined these qualities,  
when there was nothing more to add,  
He knew His masterpiece was complete,  
and so, He called it...Dad*

Dear Church Family,

We would like to take the time and thank the congregation for opening their hearts to Janet and me. We have enjoyed our stay among you these past three years. The people of this congregation will always have a special place in our hearts. What I will always remember about Rockville United Methodist Church is that you are hard-working and always have a heart for ministry, especially towards the needy. Thank you for allowing me to pursue an outreach ministry in the Ellington Volunteer Fire Department and Ambulance Corp as a Chaplain and an Emergency Medical Responder. Through my association with those two organizations, I was able to proudly represent Rockville United Methodist Church in the community.

Janet was also able to make a connection in the Vernon School System as an Adult Educator and Substitute Teacher. She also spoke in Pastor Ricki's church once a month. She wants to especially thank you for all of your prayers for her family, especially her mother who speaks so highly of the friendships that she has made here. We will never take for granted your love and support that you gave to us. We have had good laughs together, sometimes caused by my (Paul's) foibles. Pastor Cheol is fortunate to be pastor of such a fine group of believers.

May God bless you richly.

God bless you,

Pastor Paul & Janet O'Neil

## Volunteer Opportunities

Check out the Mission/Outreach bulletin board in Fellowship Hall for volunteer opportunities in our community.

### Through the Church:

**Strawberry Fest Dinner:** The Trustees and SPRC are co-hosting the Strawberry Dinner on June 16, 2018 to help raise money to cover the costs of moving the new pastor. **This event will only work if we have volunteers.** The workers sign-up sheet is on the RUMC bulletin board.

**Church Maintenance:** The GOM's need your help! Since our Grumpy Old Men are getting even older, there are many things they did without fanfare on Wednesday mornings that they can no longer do. We will start posting in the bulletin, on Facebook, and on the website activities where we need help; these are activities octogenarians should no longer be doing. Please keep an eye out for these opportunities, and help where you can.

**Refugee Program:** Please talk to Steve Yoder if you would like to help the Marri family. Transportation and English lessons/practice are two of the opportunities available.

**Prayer Chain:** If anyone is interested in joining the prayer chain and would prefer contact via telephone, please call Phyllis King at (860) 454-5127

**Moving Day:** Pastor O'Neil is moving on June 26th; Pastor Cheol is moving in on June 27th.

### In the Community:

**Cornerstone Foundation:** Volunteers needed for their Youth Outreach Program: home-work help, music, art, team building skills, substance abuse education, employment skills, self-care and sports classes. Email Paula Plante for information or to volunteer: PPPLANT-E10@HOTMAIL.COM.

In this picture, you see Steve Yoder holding a little baby by a dining room window. I told Steve that I had never seen a baby so tightly wrapped as this one and he said that one of his own grandbabies was done like this; it is called “swaddling.” I knew I heard that word somewhere but couldn’t put my finger on it immediately. Finally, it dawned on me that I had heard it, and read it, many, many times from the King James Bible. I looked it up and found it in Luke 2:12: “<sup>12</sup> And this shall be a sign unto you; Ye shall find the babe wrapped in swaddling clothes, lying in a manger.”

I have held this baby several times when I visit this family. The first time, her mother brought this tight little bundle over and laid it in my arms without me asking if I could hold her. Considering the baby was not even a month old, I thought that was pretty trusting.

The baby was born March 5th, weighting in at seven pounds and four ounces; her name is Yumna Marri. The rest of her family were born either in Syria or in a refugee camp in Turkey. She is the first one who was born as a citizen of our country. One advantage the youngest child has in a large family is that she is played with or carried around by her older brothers and sisters.

Furthermore, over the past year-and-a-half, I have felt a special feeling about this family; for lack of a better word, I called it “cohesiveness.” There is a closeness between the kids that is often seen when different ones pair off to play with each other, and then they switch.

The kids are not learning their English and math as fast as we had hoped; they will be held back this coming year to help them catch up. The refugee camp only offered school one day a week, so they virtually had no schooling for five crucial years; it is no wonder that learning a new language has gone slowly.

The bottom line is that I think they are a good family and that they will prove to be an asset to our country. I am proud that our church has helped to give them a new start in life.

~Stan

## **JUNE IS MEN'S HEALTH MONTH**

During Men's Health Month in June, the U.S. Department of Health and Human Services encourages men and boys to take steps toward a healthier lifestyle. It is an opportunity to raise awareness about the impact of preventable illnesses such as heart disease and highlight ways to stay healthy, such as exercise and getting regular medical check-ups.

It is important to encourage men to take control of their health because men experience poorer health and die younger than women in the U.S. According to the U.S. Centers for Disease Control and Prevention, boys and men in the United States, on average, die 5.6 years earlier than women and die at higher rates from nine of the top 10 leading causes of death.

The HHS Office of Minority Health reminds men and boys that they can improve their health by seeking medical advice and taking other important steps such as making healthy food choices, staying active, quitting smoking, seeing a health care provider, and taking care of their mental health. <sup>1</sup>

- Prostate cancer is the most common cancer among men, excluding skin cancer.
- African-American men are at the greatest risk to develop prostate cancer.
- The American Cancer Society recommends men with an average risk of prostate cancer should begin the discussion about screening at age 50, while men with higher risk of prostate cancer should begin earlier.
- Erectile dysfunction and lower testosterone are linked to larger health risks, including heart disease, high blood pressure, diabetes and obesity.<sup>2</sup>

### **Vernon Family Learning Center**

The Vernon Adult Education had their last day before summer vacation on Thursday May 31, 2018. The day was celebrated with a pot-luck lunch and game stations for the kids to play. This year they provided education and childcare for 20 ESL students and 10 GED students. This was a group very eager to learn; they asked for extra homework during school vacation to make up for all of the snow days they endured this year.

Four of the GED students were ready to start testing for some of the four subjects needed to pass to get their GED—Social Studies, English, Math, and Science. One student passed the first subject, one has passed half the subjects, and one has one subject left to test. Congratulations to Stephanie! Stephanie finished all four tests and has earned her GED.

### **Summer Camp Scholarship**

The Rockville United Methodist Women's association is offering a \$50 scholarship to one of the religious summer camps, such as Camp Mechuwana or Wanakee.

Please see Judie Culy for details.

Greetings from Montana! I'm writing to let you know that we, 2 dogs, 2 cats, Rosie and me, all arrived safely in Missoula on April 30, after 5 days on the road. We spent the first night in Windsor Locks, CT, followed by nights in Cleveland, OH, Madison, WI, Fargo, ND, and Billings, MT. Billings is about 6 hours from Missoula, so the last night was in the apartment in which Rosie had already stashed towels, an air mattress, some kitchen ware, wine, and glasses. We stayed in La Quinta hotels all the way across the country since they are pet-friendly. All in all, the trip was pretty uneventful except that we did not get to see the World's Largest Ball of Twine in Minnesota, which was a disappointment of course.

I spent a while in the apartment before the furniture arrived on May 5. The kitties had gone home with Rosie to live in Polson. Even though I had gotten rid of a LOT of furniture, kitchen stuff, most of the books, clothes, and just about anything I could move out of the house, I still have too much stuff! The books are in a storage closet until I can install some shelving. The apartment is in a complex not far from the University of Montana so there are a lot of students. Lots of people have dogs, so Dixie and Zoe have met all sorts, some more friendly than others. There's a Pomeranian who wanders around by himself but he's pretty snotty. Lease laws are pretty much ignored.

The weather has been very much like Connecticut in April, warm days with cool nights. There are thunderstorms almost every afternoon but the days have been generally sunny and in the 70s or low 80s. My apartment complex is in a busy, urban part of Missoula. I can walk to the Good Food Store, the Montana equivalent of Whole Foods. I can also walk downtown over a foot bridge in about 15 minutes, on the path called the Milwaukee Trail which goes through the complex. The bridge is over the Clark Fork River, which is many feet over the flood stage and has flooded other parts of the city. The downtown area reminds me very much of Waynesville, NC, with sidewalk bistros, shops, galleries, and markets. There are several craft breweries in town and one distillery that makes Quick-silver vodka, which is not for the faint of heart. The scenery around here is just breathtaking. There are no bad views.

I've met a few of my neighbors and have made a couple friends in town. I haven't found a church yet; I've been to one Methodist church and two Lutheran services but have yet to even see a choir. I'm going to a Unitarian church tomorrow and have another Methodist church to try later. I've been navigating the government offices to get a new license and license plates (two different offices), arrange for MT state taxes to start (that's a story all to itself), get the dogs licensed (at the office that gives out license plates but only by appointment), deal with the IRS (one guy who works only on Tuesdays), get local banking set up, and deal with a city layout that has even some long-term residents relying on GPS to find anything. Every time I get lost, I end up at the airport. That I can find; all I have to do is try to find anything else. From what I've seen, and spent so far, Montana is more expensive than Connecticut except that there's no sales tax. Food and beverages are a lot more expensive, even discounting the tax issue, and auto registration cost 8 ½ times what it cost in CT for one year. Yikes.

All in all, this has been a good move for me. Rosie and I have seen each other several times after the long trip, and got together for a farmer's market and beer on Thursday in Ronan where she works. It's just wonderful. My address is at the church office, and I have a guest room waiting for visitors. I'll be in touch and I'd love to hear from you. God bless!

Peace,  
Terri

**Minutes of Church Council meeting  
Sunday, May 6, 2018**

Pastor Paul opened with a prayer.

Pastor Report – Pastor Paul will be moving out of the parsonage on June 26, moving to NH. Trustees can go into parsonage after that date for any last cleaning. June 10<sup>th</sup> Paul will be away for annual conference. June 17<sup>th</sup>, (Father's day) will be Paul's last day preaching.

Council chair – Sue Lessoff    Judie Culy offered to be chair of Finance. Janice made a motion to appoint her and Sue Lessoff seconded. Voted and approved. It was also brought up about lights being left on, doors left unlocked and windows open. Responsibility of last group in church to close up. Don Ross said he checks everything and ensures things are secure at end of normal church time.

Christian Education – Linda would like a break from Sunday summer school as she has some personal issues to deal with. Candy spoke on her behalf, but this was more of an informational conversation, as it does not require a vote from council but will be discussed in SPRC. Linda will continue to run VBS and the mission trip.

Finance – Jim Mlodzinski is doing year to date analysis of expenses for same period as last year. Considerable dip in expenses and wondering what's going on. Jan. thru May. Judie commented that quarterly pledge statements will be going out to people who have requested them or need them. Judie also brought up about emergency lists. She attended meeting "Roadmap to renewal" and was given the idea of having a printout of list in addition to list in computer in case of computer problems. Also, there was much conversation about name tags for early days, weeks of new Pastor. Pastor Paul has given 3 directories of our church to new Pastor for him to familiarize himself with faces in advance. Many people missing from last directory. Also, many lots of new faces in the church. Paul and Janice will work on this.

Lay Leaders – Candy had nothing to report other than that we all do our best to make this a smooth transition with new Pastor. Will work with SPRC to handle things.

Lay member to annual conference – Sandy Gallup is forming a transition team and will make a timeline of events. A "Must Have" for transition. Sandy went to a transition workshop recently.

Men's Club – Don Ross said that the Men's Club will no longer be able to sponsor the church dinners.

Missions – Stan Culy speaks to and visits Marri family on a regular basis. He also read his report. (copy attached)

Music- Karen Stearns – no report

Publicity – Janice Klingman talked about a silent talent auction in September to be held during picnic on Rally day, Sept. 9<sup>th</sup>. Several members have already donated their time, talents for this event to be kept within church family. Inserts will be in bulletins.

Also, a fundraiser event is being spearheaded by Diane Lajoie to sell RADA knives.

**Minutes of Church Council meeting –cont.-**

**Sunday, May 6, 2018**

Trustees – Don Ross and its Dave Joy (co-chairs) (not Bridget as seen on agenda). Don read report for trustees. Anonymous gift of 3K given to replace sound system. Trustees will do strawberry festival with help from SPRC and Finance. The monies will go toward moving expenses of new Pastor.

UMW – Judie Culy: There will be brunch on Sunday, June 10<sup>th</sup> at Mitchells after church, 11;15 to discuss numerous topics. The Leap of Faith concert will be Saturday, October 27<sup>th</sup> 7 pm. Harvest Dinner is October 20<sup>th</sup>. Bazaar is November 17<sup>th</sup>. UMW tries to pledge 5K.

Vernon Community Network – Judie Culy is resigning as treasurer.

Worship – nothing to report. Robin Pinchin became a new member on Mothers Day, May 13<sup>th</sup>.

Old business – nothing

New Business – Sunday, June 3<sup>rd</sup> all church council meeting. Children’s Sunday will be June 10<sup>th</sup>. Pastor Cheol will be holding his first service, July 1<sup>st</sup>. July 8<sup>th</sup> – all church council meeting.
