HARVEST SUPPER

RUMC HARVEST SUPPER—October 20, 2018

See Page 11 for details.

Dear Rockville Family,

I am writing this October newsletter while looking at falling leaves in my backyard. The falling leaves remind me that permanence or eternity is not the way of nature. Yes, we live in an uncertain world where things change all the time and nothing seems to stay with us forever. That's why we sometimes feel gloomy and always look for something to satisfy and quench our spiritual thirst. Well do we really feel melancholy in our hearts?

Let us not be discouraged too much by this change, or transition, for we all know that there is one thing we can always trust and rely on in our ever-changing world. That is God's presence in our lives and Christ's promise for God's children: "Do not let your hearts be troubled. Trust in God; trust also in me... And I will ask the Father, and he will give you another Counselor to be with you *forever* – the Spirit of truth... You know him, for he lives with you and will be in you. I will not leave you as orphans; I will come to you" (John 14:1, 16-18).

As we trust in God's ever-green love for our lives, we may stand faithful in this time of change as we continue our worship and ministry. As a new pastor, I am now looking forward to our annual fall programs. Carol Robbins is now organizing the "Harvest Supper" on October 20, Karen Stearns and Geoff Gerow have been preparing along with their choir members for the "Leap of Faith Concert" on October 28, and Linda Shivers, Don Corne and David Saunders are working on the youth group's first "Sleep Over" event on October 26. I am thankful that we have wonderful servants among us.

Although I truly appreciate the dedication of these volunteers, these church events are the responsibility of our entire congregation. We all need to show our support and participate in these events as our abilities allow-as coordinators, as volunteers, or as participants enjoying the fellowship of the event. Help us reach out into our local communities to participate in these RUMC events. I hope you will bring your entire family and be sure to invite your friends, your neighbors, your co-workers, and maybe someone you happen to meet at the grocery store... As we work together, we can always have more fun activities and can help one other stand faithful.

Through this time of change and transition, let me encourage you to hold fast to the unchanging truth that God is always with us, so that we may also continue our dedication to uphold and carry our worship and ministry for the sake of God's glory and for the sake of our spiritual growth. May God's peace and grace always rest upon you!

In prayer,

Pastor SeokCheol Shin

Church Maintenance: The GOM’s need your help! Since our Grumpy Old Men are getting even older there are many things they did without fanfare on Wednesday mornings that they can no longer do. We will start posting in the bulletin, on Facebook, and on the website activities where we need help; these are activities octogenarians should no longer be doing. Please keep an eye out for these opportunities, and help where you can.

Refugee Program: Please talk to Steve Yoder if you would like to help the Marri family. Transportation and English lessons/practice are two of the opportunities available.

Prayer Chain: If anyone is interested in joining the prayer chain and would prefer contact via telephone, please call Phyllis King at (860) 454-5127

OCTOBER IS HALLOWEEN SAFETY MONTH

These Halloween Safety Tips are lifted directly from the American Academy of Pediatrics website:

<https://www.aap.org/en-us/about-the-aap/aap-press-room/news-features-and-safety-tips/Pages/Halloween-Safety-Tips.aspx>

ALL DRESSED UP:

Plan costumes that are bright and reflective. Make sure that shoes fit well and that costumes are short enough to prevent tripping, entanglement or contact with flame.

- Consider adding reflective tape or striping to costumes and trick-or-treat bags for greater visibility.
- Because masks can limit or block eyesight, consider non-toxic makeup and decorative hats as safer alternatives. Hats should fit properly to prevent them from sliding over eyes. Makeup should be tested ahead of time on a small patch of skin to ensure there are no unpleasant surprises on the big day.
- When shopping for costumes, wigs and accessories look for and purchase those with a label clearly indicating they are flame resistant.
- If a sword, cane, or stick is a part of your child's costume, make sure it is not sharp or long. A child may be easily hurt by these accessories if he stumbles or trips.
- Do not use decorative contact lenses without an eye examination and a prescription from an eye care professional. While the packaging on decorative lenses will often make claims such as "one size fits all," or "no need to see an eye specialist," obtaining decorative contact lenses without a prescription is both dangerous and illegal. This can cause pain, inflammation, and serious eye disorders and infections, which may lead to permanent vision loss.

CARVING A NICHE:

- Small children should never carve pumpkins. Children can draw a face with markers. Then parents can do the cutting.
- Consider using a flashlight or glow stick instead of a candle to light your pumpkin. If you do use a candle, a votive candle is safest.
- Candlelit pumpkins should be placed on a sturdy table, away from curtains and other flammable objects, and not on a porch or any path where visitors may pass close by. They should never be left unattended.

HOME SAFE HOME:

- To keep homes safe for visiting trick-or-treaters, parents should remove from the porch and front yard anything a child could trip over such as garden hoses, toys, bikes and lawn decorations.
- Parents should check outdoor lights and replace burned-out bulbs.
- Wet leaves or snow should be swept from sidewalks and steps.
- Restrain pets so they do not inadvertently jump on or bite a trick-or-treater.

HEALTHY HALLOWEEN:

- A good meal prior to parties and trick-or-treating will discourage youngsters from filling up on Halloween treats.
- Consider purchasing non-food treats for those who visit your home, such as coloring books or pens and pencils.
- Wait until children are home to sort and check treats. Though tampering is rare, a responsible adult should closely examine all treats and throw away any spoiled, unwrapped or suspicious items.
- Try to ration treats for the days and weeks following Halloween.

OCTOBER IS HALLOWEEN SAFETY MONTH-cont.

These Halloween Safety Tips are lifted directly from the American Academy of Pediatrics website:

<https://www.aap.org/en-us/about-the-aap/aap-press-room/news-features-and-safety-tips/Pages/Halloween-Safety-Tips.aspx>

ON THE TRICK-OR-TREAT TRAIL:

- A parent or responsible adult should always accompany young children on their neighborhood rounds.
- Obtain flashlights with fresh batteries for all children and their escorts.
- If your older children are going alone, plan and review the route that is acceptable to you. Agree on a specific time when they should return home.
- Only go to homes with a porch light on and never enter a home or car for a treat.
- Because pedestrian injuries are the most common injuries to children on Halloween, remind Trick-or-Treaters:
 - o Stay in a group and communicate where they will be going.
 - o Remember reflective tape for costumes and trick-or-treat bags.
 - o Carry a cellphone for quick communication.
 - o Remain on well-lit streets and always use the sidewalk.
 - o If no sidewalk is available, walk at the far edge of the roadway facing traffic.
 - o Never cut across yards or use alleys.
 - o Only cross the street as a group in established crosswalks (as recognized by local custom). Never cross between parked cars or out of driveways.
 - o Don't assume the right of way. Motorists may have trouble seeing Trick-or-Treaters. Just because one car stops, doesn't mean others will!

Law enforcement authorities should be notified immediately of any suspicious or unlawful activity. Review with children how to call 9-1-1 (or their local emergency number) if they ever have an emergency or become lost.

"A BIG STEP" FOR WIAAM

Wiaam was born on November 3, 2013 in a United Nations refugee camp in Turkey. She came to Connecticut when she was 3 years old. Wiaam turns 5 this fall and has started kindergarten at the same school as her older brother and sisters.

We held our breath when the bus came on the first day of school because Wiaam was not sure she wanted to go. Yes, she enjoyed the tutoring when the teachers came to her house. Yes, she enjoyed learning the alphabet and counting to ten in English.

The problem was leaving her mother and her home. Wiaam let us know this by crying every time the bus arrived for the first week. Each day after one minute on the bus, she settled down. I think that, secretly, she enjoyed her day. For one thing, she knew her teacher already because the teacher had taught her for two summers at home.

It was a big step for Wiaam and we are happy that she made it.
