REPORT OF FINANCE COMMITTEE 11/18/18

We will be meeting on Monday, November 26, 2018 to go over results of the 2019 stewardship returns and to bring reports up to date.

Both the 2016 and 2017 audits have been completed thanks to Rick Bacha. Reports have been distributed by office secretary to respective recipients.

GIFT CARD PROGRAM

A short time ago, Janet O'Neil asked me to step in and help temporarily with the program's weekly reports that she has been doing with Robin. Robin Pinchen and I have been working together on this. We wish to sell off the inventory and end the program. Janet tried to find others who would take on the program before she left us with no results. Unless someone steps up immediately, we will end the program as soon as possible and thank all who participated in any way. About \$4,300 is the profit to date. We will have a final report as soon as it ends. Persons were reimbursed for the seed money that was donated.

Respectfully submitted, Judie Culy
