

From the Office Manager:

Braided Bread Fundraiser: I am prepared to run the braided bread fundraiser again from March 3 to 31 with the breads delivery on April 8, 2019. I just need the ok to proceed. (It is actually easier if I run it.)

Since you will be talking about finances, I would like permission to set up an account to add an online donation button to our website. I'm including two examples of such a button, but they don't use Donately, the company I think would be best for RUMC. The first example is the American Cancer Society; the second is Rockville United Methodist Church in Maryland ( <http://www.rockvilleumc.org/>).

I would like some help adding some self-promotion for visitors to the church to see. We have several Display Boards that I would like to use to show the great things you do here at RUMC. We could use a board for the GOM's, music, Sunday School, Youth Missions, Sunday Service, Dinners, Good Friday Walk, Missions, etc. I'm asking more creative people than me to take a board and create a display for their group. I'll be happy to share any photos I have, and I can help print titles and statements if they need it. Any supplies I have available here in the office, I will gladly share. This church does great things, but most people don't see that. I'm hoping to show visitors what they are missing.

Post Easter Committee Promotion: Pastor Cheol would like to spotlight one committee each Sunday, starting after Easter. He is asking for a member of that committee to give a five-minute talk about what the committee does, possibly have the committee members host Fellowship that day, and maybe have a task people can help with after service.

Finally, Lifetouch has been calling for two or three years to see if we want to do another photo directory. They are offering options other than the pew directories now, so I told them I would pass on the information.
