

Nurture and Visitation Committee: We met on February 10, 2019 for the first time. Present were Barbara Kent, Barbara Hoskins, Sandy Gallup, Nat Woodruff, Stan and Judie Culy. Pastor Cheol was on vacation and gave us the go ahead to meet without him. There are others who will visit on request that do not want to be on the "Committee."

Basically, we began with prayer, introduced ourselves and what our experiences with visitation had been and what we were willing to do in future. We have a chart to work from and Judie will be meeting with Pastor very soon to bring him up to date on commitments and expectations of committee members. Our work includes both present members and new persons and families—a tremendous task. We will meet again on Sunday, March 10th after church.

Respectfully submitted, Judie Culy
