- Trustees - Dave Joy presented the *Trustees Update on Required Capitol Improvements*. (report attached). Q&A followed with Dave saying that more specific information will be forthcoming in the next 2 weeks. A discussion about the pros and cons of selling the church parsonage followed. (included in above attachment.) Dave said the current value of the parsonage is between \$230,000 and \$240,000. We could save \$2,000/year for maintenance and \$2,000/year for insurance if we sold the property.
- Report on Marri Family – see attached report from Stan Culy.
- Pastor Cheol – See attached report.
 - Pastor is encouraging us to invite friends and family members to our Family Sunday, April 7th.
- A lively discussion about RUMC and inclusiveness followed, with comments from many of those present. We have decided to have a meeting on April 28, following Worship for the entire congregation to hear and express thoughts and concerns about this important issue. It was suggested by Linda Shivers that we include our youth in these discussions. All those present agreed.
- The meeting adjourned at 1:15pm.

Respectfully submitted by Janice Klingman, recording secretary.
