

Christian Education report 9/27/19

This year we have lost, for various reasons, 4 dedicated teachers. Even combing classes down to 2, we have not had anyone come forward to teach- leaving us with one teacher for kindergarten -5th grade. I have been filling in, rotating with Carol Macre. Unfortunately, our "pool" from which to draw teachers is not available. I cannot continue to work as DCE and a teacher. I do not know how to rectify this situation, I am hoping for a solution, because doing both is something I cannot do effectively.

Oct 25- Youth meeting 7:00 pm-9:00 pm- learning CPR

Oct 27- Trunk or Treat

Sincerely,
